## Estcourt Vets Devizes Environmental Policy

Estcourt Vets Devizes is a small animal veterinary practice, specialising in primary care, at a single site.

We are committed to administering the highest standard of veterinary provision to the animals under our care and are always striving to meet customer expectations in all aspects of clinical care as well environmental well being and sustainability. We acknowledge that our operations have an effect on the environment in terms of the use of raw materials, emissions to air and water, and waste generation.

We have identified the following key areas in which our business has an impact on the environment:

- Consumption of electricity, gas and water
- Use of volatile halogenated anaesthetic gases
- Waste production and disposal
- Use of consumables
- Transport emissions
- Procurement and supplies

Our Green team is committed to help Estcourt Vets Devizes reduce its environmental impact through a journey of continued reflection and improvement. We will convey this policy to all our employees ensuring that they are provided with training to increase awareness of environmental matters. Estcourt Vets Devizes Green team has been designated responsibility for the day-to day implementation of this policy. Estcourt Vets Devizes will make the policy available on our website.
